

# The Perfect Student Job - TechCoach

TechCoaches support organizations with technology-based projects and day-to-day business. With a high level of adoption, good knowledge of new technologies and positive energy you are the flexible help (inter)national organizations need. You decide what projects you are interested in, the work hours are flexible and it is a great and fun way to develop yourself and gain important work experience! The role is open for both Dutch and international Technical Students based anywhere in the Netherlands.

## What is a TechCoach?

TechCoach are technical Bachelor or Master students who have been selected by Consultday based on 5 important skills. These skills are: Didactic Skills, Adaptive Capacity, People Orientation, Energy, and Cooperation. The selection is completely digital and is divided into two steps. First, you will start with the General Sign-up via [www.consultday.nl/techcoach](http://www.consultday.nl/techcoach). From there on you will receive updates about new potential projects. It is up to you to apply for the roles you are interested in and which are a match with your agenda.

## Why start as a TechCoach?

## About Consultday

Consultday is a Utrecht based consultancy firm specialized in HR and IT. Our goal: HR Technology, made easy. For us, TechCoaches are the missing link in IT projects and the digitalization of organizations.
